What makes 2nd Grade at Pine Springs so special?

Our CKLA Domain Celebrations are the best! At the completion of each Domain we celebrate all the hard work by extending the CKLA content. Students are engaged with hands on-activities, crafts, games and much more all related to the CKLA curriculum. For example, we have celebrated our Early Asian Civilization Domain by doing Henna tattoos and inviting community members in to do traditional dancing. We also have our very own 2nd grade garden! After our “Cycles in Nature” and “Insects” domains students demonstrate their learning by planting and caring for flowers in our butterfly garden.
