

Welcome to the Fascinating Firsties Team!!

We enjoy laughing, learning, and collaborating with each other and spending our day with your little ones. We share stories, talents and creativity with each other. Our focus is to make each day amazing and fun for everyone we meet.

CKLA Domains in 1st Grade:

- Fables & Stories
- Human Body
- Different Lands, Similar Stories
- Early World Civilizations
- Early American Civilizations
- Astronomy
- History of the Earth
- Animals & Habitats
- Fairy Tales
- A New Nation
- Frontier Explorers

Singapore Math Curriculum includes:

Counting to 20, ways to add and subtract, plane and solid shapes, ordinal numbers, position words, and measurement. It also covers weight, picture & bar graphs; numbers, addition, and subtraction to 100; mental math; calendar & time; money; and real-life problems throughout all chapters.

What makes PSPA amazing??

Our CKLA Domain Celebrations are the best! At the completion of each Domain we celebrate all the hard work by extending the CKLA content. Students are engaged with hands on-activities, crafts, games and much more all related to the CKLA curriculum. We might even stretch with some yoga during our Human Body Domain.

LAST, BUT NOT LEAST..... Field Trips

[At this time field trips have been paused for this school year](#)
